## **Productions LLC**

We at Nepo Productions LLC are excited to be a part of the Benton Community High School Show Choir Competition. We will be taping the event with multiple cameras to capture all the angles. We will also be mixing the music from the event with live microphones to pick up everything on stage and all the audience applause. DVDs will be available the day of performance. If you are unable to pick up your DVD that day, we will ship it to you for an additional \$2.00.
